NVMe M.2 SSD Enclosure Adapter (S1232A)

Supports M Key In Any Sizes M.2 2.5" / 3.5" SATA Solid State Drives.

Dimensions	84.0mm x 60.0mm x 15.5mm
USB Port	USB 10Gbps
DC Power	12V 2A Power Cable
Cable Length	100cm
Material/ Color	ABS Housing/ Black

Description:

UNITEK M.2 NVMe SSD Enclosure Adapter supports M.2 PCIe NVMe SSDs, as well as 2.5"/3.5" SATA SSDs and hard drives. Perfect for new hard drive installations, upgrades, data backups, and more.

Product Features:

- **10Gbps M.2 SSD Enclosure:** UNITEK M.2 SSD External Enclosure supports UASP 10Gbps SuperSpeed transfer, which can transfer up to 4K HD movie or several Gigabytes files in a seconds. Backward compatible with USB 3.1 and USB 2.0.
- **Tool-Free NVMe SSD USB Adapter:** UNITEK M.2 SSD Enclosure is easy to use without any tools and no driver is required. Simply open the external cover of the USB Drive Case and directly insert a SATA SSD/ M.2 SSD into UNITEK NVMe enclosure. The open design is compatible with any size of M.2. Due to the limitation of hard drives' specifications, the enclosure supports the maximum speed of 6Gbps.
- **Support M.2 NVME and SATA SSDs to USB:** Plug-and-play, UNITEK M.2 SSD Enclosure will meet your needs whether you are using M.2 or SATA hard drives. Our product supports hot-swapping, and auto-sleep function when the enclosure is in sleep mode for 30 minutes. Great for office work, gaming and movie lovers, or users with multiple different hard drives.
- **Stability with safety Protocols:** The M.2 SSD enclosure with USB adapter uses JMS581DC chip with anti-breakage and over-current protection to protect your precious data. Supports SSD TRIM commands and UASP acceleration for powerful data transfer rate.
- **System Compatibility:** Compatible with Windows 7/ 10/ 11 , Mac10.5 or later versions, Linux.

Package Contents:

1 x M.2 NVMe SSD Enclosure Adapter; 1 x 12V 2A Power Cable; 1 x User Manual.

Pieces/Carton:

20 pieces/ carton
