Universal Compatibility

Armor-10 is the toughest powerbank you can ever find. Made for outdoors, this powerbank is shockproof and waterproof. If you are an outdoorsy person or live your life seeking an adventure then this is for you. It is very easy to drop or break your favourite but delicate gadgets but this can withstand a rough use. With 10000mAh power and Qualcomm Quick Charge 3.0 it becomes very easy to charge all your USB powered devices at ultra-fast speed. It has 4 ports, USB 3.0, USB Type-C, Lightning and Micro-USB. Also, it has a strong torch light that can be used for 100 hours straight under water. The adventure junkies are in for a treat.
