

Energy Saving LED Light with Ultra-Sensitive Motion Sensor

Built-in Battery | Plug and Play | PIR Technology | Contemporary Design

PIR Motion Sensor

Super Bright

Rechargeable

Auto power On

The best choice for ambient lighting in your closet down the stairway. MotionCandle-1 is battery-operated and has a handy motion sensor for those wanting instant light without flicking a switch. With a 15-second illumination when set to the sensor function and a 2m range, you'll find this handy for those dark cupboards or hallways where power sockets are scarce. This makes MotionCandle-1 the most versatile utility light in the range with its sleek structure, it oozes contemporary design.

Specifications

- Battery Capacity : 1800mAh
