## Y-PW10012

120W 8-Port USB Transformable Charging Station

Features:

- A Smart Charger which allows to charge multiple devices simultaneously.
- Innovative transformable design for space saving.
- Keep your desk clean and tidy. You could mount it under desk/table on the wall or installed wherever you need.
- The adjustable separator allows you to adjust the width needed for different devices.
- With the protection against over-charging, over-voltage, over-heating and short circuit.
- Solid and stable base, it can support up to 8 devices.
- Rapid charging with BC1.2 technology, power output up to 2.4A.
- 1 charging port with Qualcomm® Quick Charge 3.0, which allows certain Qualcomm® Snapdragon™ based devices charge up to 4 times faster than devices that use conventional charging methods.
- Qualcomm® Quick Charge 3.0 is backward compatible with Quick Charge 2.0.
- With a 60W USB-C Power Delivery 2.0 charging port, maximum power output up to 20V/3A.

Power Output:

USB-A	5V/2.4A
QC v3.0	3.6V~6.5V/3A or 6.5V~9V/2A or 9V~12V/1.5A
USB-C PD2.0 (60W)	5V/3A or 9V/3A or 12V/3A or 15V/3A or 20V/3A

Specifications:

Product Dimension	177 x 114 x 20 (mm)
Color	Black
Downstream	6 x USB Type-A Female 1 x QC3.0 USB Type-A Female 1 x USB-C PD2.0 Female
Power	20V6A / 120W
Power Cable	1m
DC Dimension	5.5 x 2.5 (mm)

Package Contents:

- 1 x 120W 8-Port USB Transformable Charging Station
- 1 x Power Adaptor
- 1 x User Manual
- 9 x Separator Slat (4pcs tall; 5pcs short,)
- 8 x Screws

Packaging: UNITEK Gift Box
