Superb True Wireless Stereo Sound

These dynamic TWS earphones deliver powerful bass, mellow midrange, and precise treble, producing crystal-clear music, with complete wireless freedom.

ANC (Active Noise Cancellation)

Equipped with a highly effective ANC system that blocks out unwanted background noise, allowing you to enjoy your music without interruption.

ENC (Environmental Noise Cancellation)

Utilizing its 4-mics and enhanced ENC algorithm, Baton does a great job in reducing unwanted environmental noise, ensuring your conversations are always clear.

Quick Pairing

Both earbuds will automatically connect to your phone, and will auto-connect with quick pairing, after the first time.

IntelliTouch Control

Manage audio playback and other functions with just one touch as Baton offers IntelliTouch controls.

Low Latency Game Mode

Reduce sound delay for gaming and video playback, ensuring seamless audio-visual synchronization.

Extended Battery Life

Get up to 6 hours of music playback time per charge and up to 40 hours with the charging case.

IPX4 Water Resistance

Baton's IPX4 water resistance protects against splashes and sweat, making it perfect for workouts and outdoor adventures.
