Bolt-10PD

SMART CHARGING
Power Bank
20W Power Delivery
& Quick Charge 3.0

Bolt-10PD is The Ultimate Power Solution for Every Journey! Unleash boundless energy with a high-capacity 10000mAh Li-Polymer Battery, accompanied by three intelligent USB ports for diverse charging needs. Harness rapid charging capabilities through the 20W USB-C2 In/Out Port, And two output ports, 20W USB-C1 and USB-A 22.5W QC 3.0, while an intuitive Smart LCD Display keeps you informed of battery status. Compact and portable, Bolt-10PD ensures uninterrupted power on the move, fortified with safeguards against overcharging and overheating. Elevate your adventures with Bolt-10PD, your steadfast ally in every pursuit.

10000 mAh

Powerful Backup Battery
Bolt-10PD boasts a powerful 10000mAh li-polymer backup battery, so you can keep your devices powered up, anywhere, anytime.

Versatile Charging Options
Enjoy flexibility with Three Smart Charging USB Ports, ensuring compatibility with a variety of devices
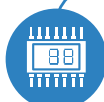

Rapid Charging Technology
Experience super-fast charging with the 20W USB-C2 In/Out Port, USB-C1 output, and 22.5W QC 3.0 Output only ports, delivering quick power boosts when you need them most.

Multi-Device Compatibility
Stay connected with the 20W USB-C1 and USB-C2 Outputs, capable of simultaneously charging multiple devices

Intuitive Display System
Monitor battery status and charging progress with ease using the Smart LCD Display, providing real-time information at your fingertips.

Compact Design
Lightweight, slim, and portable enough to put in your pocket, place in your bag, or use on the go.
