CampMate-5

CampMate-5 From Promate is the ultimate 2-in-1 multifunctional Bluetooth speaker and camping light designed for outdoor enthusiasts. With a powerful 2400mAh battery, enjoy up to 7 hours of immersive sound from its 5W speaker output, and illuminate your campsite with 10 vibrant RGB light modes in a sleek lantern design. Effortlessly control your experience with the intuitive touch control button and keep your adventure going with the included 1-meter charging cable. The CampMate-5 is the perfect companion for any camping trip, providing both entertainment and essential lighting in one compact, stylish device.

## 2-in-1 Multifunctional Speaker Camping Light

Combines a high-quality Bluetooth speaker and a versatile camping light, perfect for enhancing your outdoor adventures.

## 2400mAh Battery Capacity

Equipped with a reliable 18650 Lithium-ion battery, ensuring prolonged usage with 7 hours of playtime and up to 60 hours on standby.

## 5W Speaker Output

Delivers clear and powerful audio with a 4Ω impedance, making it an ideal choice for music lovers in the great outdoors.

## 7 Hours Play Time

Enjoy up to 7 hours of uninterrupted music after a quick 3-hour charge, keeping the good times rolling all night long.

## 10 RGB Light Modes

Illuminate your campsite with 10 vibrant RGB light modes, providing 100 lumens of brightness for various lighting needs.

## Touch Control Button

Effortlessly navigate through light modes and audio controls with the intuitive touch control button for a seamless experience.

## Stylish Lantern Design

Crafted with a stylish and practical lantern design, the CampMate-5 is both functional and visually appealing.

## 1m Charging Cable

Includes a 1-meter charging cable for convenient recharging, ensuring your CampMate-5 is always ready for the next adventure.

## Packaging Contents:
