CLink-RJ45

Introducing CLink-RJ45, the ultimate Ethernet to USB-C™ adapter cable that redefines connectivity. With a blazing fast 1000Mbps RJ45 Ethernet input and a seamless USB-C™ 3.2 output, this 5-meter marvel ensures uninterrupted high-speed internet for your laptop or tablet, even in the farthest corners of your home or office. Crafted from durable materials, CLink-RJ45 is built to withstand the rigors of daily use while maintaining top-notch performance. Whether you're connecting to a router, modem, or network switch, CLink-RJ45 guarantees a reliable and swift connection, empowering you to stay connected without compromise.

Ultra-Fast Ethernet to USB-C™ adapter cable

Experience lightning-fast internet speeds with the CLink-RJ45 Ethernet to USB-C™ adapter cable, supporting up to 1000Mbps for seamless browsing and streaming.

Versatile USB-C™ Output

Easily connect to any USB-C™ device, whether it's a laptop, tablet, or smartphone to enjoy instant Ethernet connectivity without the hassle of additional adapters.

5M Cable Length

The 5-meter cable length provides flexibility and convenience, allowing you to connect devices across a room without compromising on performance.

Compact and Innovative Design

With its integrated smart chip, this adapter cable eliminates the need for bulky RJ45-to-USB-C™ adapters, offering a streamlined solution for connecting your USB-C™ devices to Ethernet.

Enhanced Compatibility

The CLink-RJ45 is designed to work seamlessly with a variety of devices, from routers and modems to network switches, ensuring broad compatibility across your tech ecosystem.

Durable Build

Constructed from robust PVC and featuring a CAT6 UTP cable, the CLink-RJ45 ensures long-lasting durability and reliable performance for all your networking needs.

Plug-and-Play Support

Enjoy hassle-free setup with no need for extra drivers or software. Simply plug in the CLink-RJ45, and you're ready to connect to the internet instantly.

Specifications

Input Interface: RJ45
Ethernet Bandwidth: 10/100/1000Mbps
Output Interface: USB-C
Cable Length: 5M

Certifications:
RoHS FC ⚠
EAC ♻ 🗑 ⚡ CE
