

TOUGH-BUILT | Power Delivery 60W | USB-C Cable

25000+ Long Bend Lifespan

120 CENTIMETER LENGTH

Tangle Free Soft Silicone

60 WATT

FletchLink-CC

Elevate your tech experience with the Tough-Built USB-C to USB-C Cable, engineered for unmatched reliability and performance. Delivering 60W of power and 480Mbps data transfer speeds, this cable ensures rapid charging and seamless data sync, all within a generous 120cm length. Crafted from durable materials to withstand daily wear and tear, it promises longevity and resilience, making it the perfect companion for your demanding digital lifestyle.

Features

Tough-Built USB-C to USB-C Cable

Connect and power a wide range of USB-C devices using the FletchLink-CC, from laptops and smartphones to tablets and more, making it an essential accessory for both personal and professional use.

Tangle-Free and Sleek Design

Engineered to minimize tangling and clutter, while its compact and lightweight construction ensures effortless portability, ideal for travelers and commuters seeking hassle-free use and storage on the go.

60W Power Delivery

Ensures rapid charging for compatible devices, optimizing efficiency and reducing charging times.

480Mbps Data Transfer

Enjoy fast and reliable data transfer at speeds up to 480Mbps, perfect for transferring large files or syncing your devices.

120cm Cable Length

Benefit from a generous 120cm cable length, providing flexibility and ease of use in any environment.

Made of Durable Materials

Built to last with a metal shell, braided wire, and silver-plated connectors, this cable offers exceptional durability and resilience for everyday use.

Specifications

Cable Length
1.2 Meters
