

FS34-46F-02.BLK

## Modern Linear Tabletop TV Stand

Minimalism, aesthetics and harmony in one unified design  
- a TV Stand that illuminates the whole space.

FS34-46F-02.BLK

## Modern Linear Tabletop TV Stand

Brateck®  
BRACKET TECHNOLOGY

### COMPLETE DESIGN

Taking a sophisticated approach, our product designers have carefully examined every detail. A safety kit is included for homes with active children and pets.

### PREMIUM MATERIALS

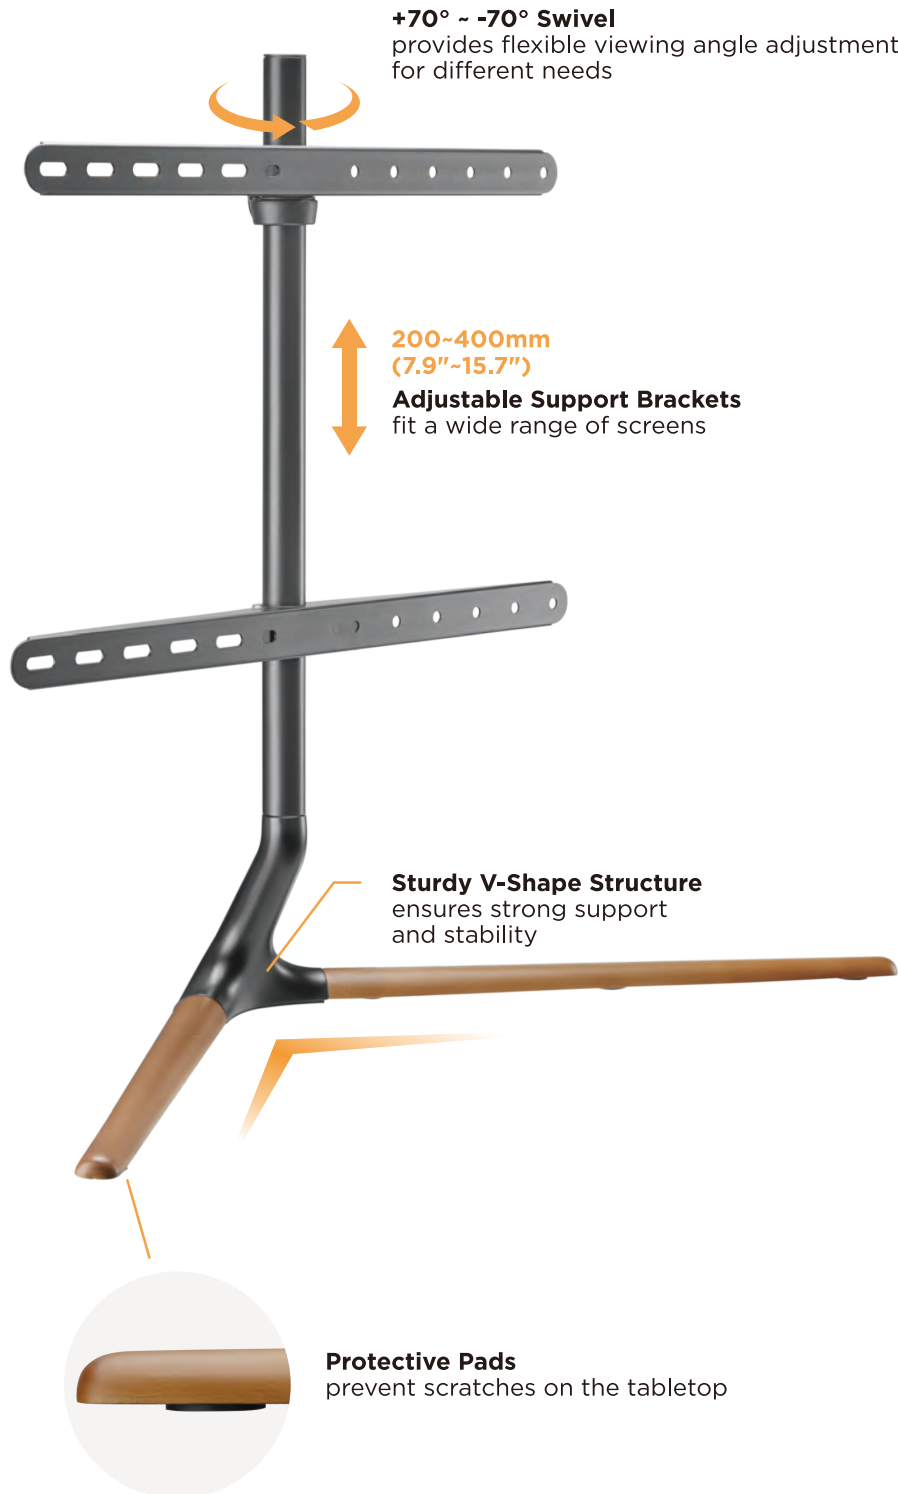

TV Stands are no longer limited to an unremarkable accessory made of metal. The coldness of aluminum is instilled with the warmth brought by solid wood. This well-balanced combination adds a touch of industrial style to the living space while making the TV set as a piece of art.
