

HDbiT HDMI Over IP PRO Powerline Extender KIT

Able to distribute signal to up to 4x Receivers

Model Code:
LKV380PRO KIT INCLUDES: RX AND TX
LKV380PRO-RX INCLUDES: Receiver ONLY

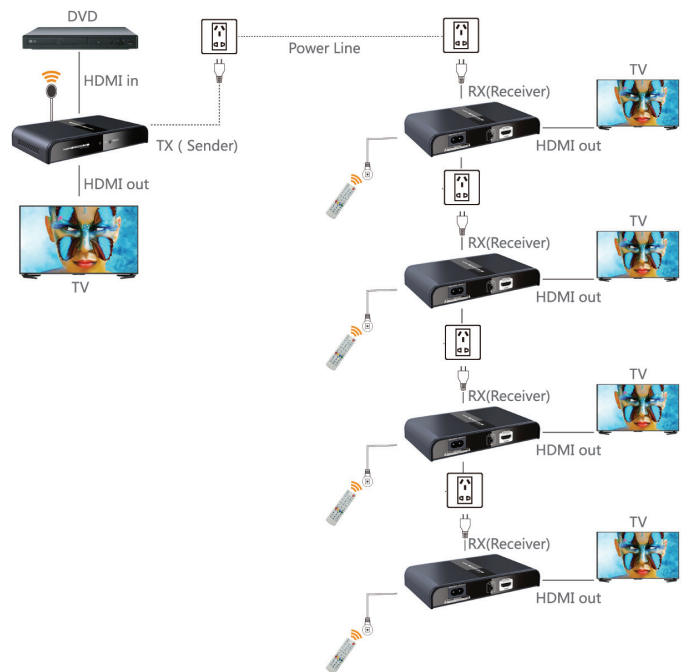

LKV380Pro is the HDbiT HDMI over power line allows you to transmit 1080P HDMI signals up to 300 meters, using existing Power Line cable. Support one transmitter to multi-receivers connection, simultaneous delivery of HD AV up to 4 RX, saving you the hassles of rewiring. It is a lower cost alternative to professional AV installation

Features:

- HDMI over power line with HDbiT technology
- 1080P HD video, whole house coverage transmission
- Support one transmitter up to 4 receiver simultaneous connections
- No need rewiring, easy to go through walls
- Perfect IR 360° pass back function
- Automatically scan and pairing, plug and play
- AES encryption to ensure security
- Build in HDMI loop out, simultaneously output local display and remote display

INSTALLATION TIP:

Able to transmit signal through multiple power MCB, but must be on the same power RCD electrical circuit.
