Description:

UNITEK latest GaN III technology brings super charging performance and safety to this charging station. At the same time, it has slim and compact design. You can get a high-speed charging experience anywhere. Say goodbye to old, bulky chargers.

Product Features:

- **Incredible 100W Output** : This charging station provides 2 USB-C ports at full speed of 100W (single port charging) , possible to charge up to 2 laptops simultaneously. It also comes with 2 USB-A ports for charging up to 22.5W. Even when charging 4 devices, its total output can go up to 97.5W (max). It supports PD3.0, QC3.0, and PPS fast charging standards.
- **Safe & Durable** : This charging station is made with high quality fireproof PC material with V0 top standard. The built-in smart protection chip makes it to avoid over-voltage, over-current, short circuit and over-charge, etc.
- **Universal Compatibility:** UNITEK USB C Charging Station is wide compatible with phones, tablets, Switch and laptops, such as iPhone 15/14/13, Samsung S23/S22+/S22 Ultra, iPad Pro 11"/12.9", M1/M2 MacBook Pro (14" or smaller models), etc.
