**1200A** PEAK CURRENT  
Multiple USB Ports

PatrolPack-3

Introducing the PatrolPack-3 by Promate, the ultimate solution for all your roadside emergencies. This rugged 4-in-1 jump starter is packed with features to keep you and your vehicle prepared on the go. With a peak current of 1200A/12V, it can jump-start your vehicle effortlessly, while reverse polarity protection ensures safe operation every time. Need to inflate your tires? No problem. The built-in 150PSI air compressor has got you covered. Plus, with a massive 12000mAh battery capacity, you can power up your mobile devices multiple times over. Stay informed with the automatic TPMS (Tire Pressure Monitoring System) function and the big LED screen displaying crucial information. With dual USB-A ports, including one with QC 3.0, and a 160W DC output, you can charge your devices at lightning speed. Don't forget the 4-mode LED flashlight for added convenience. Get ready to hit the road with confidence with the PatrolPack-3.

### 4-in-1 Multifunctionality

PatrolPack-3 is a multi-functional car jump starter, multi-port power bank, LED flashlight, and air compressor, all in one unit.

### Powerful 1200A Jump Starter

This jump starter boasts a powerful 1200A/12V peak current, generating enough power to jumpstart heavy-duty cars and motorcycles.

### 150PSI Air Compressor

Inflate tires quickly and easily with the built-in 150PSI air compressor, keeping your tires at optimal pressure for safe driving.

### Automatic TPMS Function

Features an automatic Tire Pressure Monitoring System (TPMS) for real-time tire pressure monitoring, ensuring your tires are always at the correct pressure.

### Reverse Polarity Protection

The intelligent clamps ensure the right amount of current is transferred to your car's battery with protection from reverse charging and short circuits.

### Multi-Port 1200mAh Power Bank

PatrolPack-3 features a powerful 12000mAh power bank with a USB-C Input, dual USB-A ports one with QC 3.0, and a DC port for convenient charging.

### USB-C Input

Recharge the PatrolPack-3 quickly and efficiently with the USB-C input, providing modern and versatile charging capabilities.

### Dual USB-A Ports with QC 3.0

Charge multiple devices simultaneously with dual USB-A ports, including one with Quick Charge 3.0 for faster charging speeds.

### 160W DC Output

Provides a powerful 160W DC output to power a variety of devices and accessories, making it an essential tool for road trips and outdoor adventures.

### Big LED Screen

A large LED screen displays crucial information such as battery level, air pressure, and charging status, ensuring easy and intuitive use.

### 4-Mode LED Flashlight

Stay prepared with a 4-mode LED flashlight offering Torch, SOS, and Strobe modes, providing versatile lighting options for any situation.

### Specifications:

Battery Capacity:	12000mAh/ 44.4Wh	Maximum Air Pressure:	150PSI
Battery Type:	Lithium-Ion	Start Current:	600A
USB-C Input:	5V/3A, 9V/2A, 12V/1.5A	Peak Current:	1200A
USB-A1 Output:	5V/3A, 9V/2A, 12V/1.5A	LED Light Brightness:	270 lumens
USB-A2 Output:	5V/2.4A	LED Light Modes:	4 Modes (Illumination, SOS, Strobe, Orange light strobe)
DC Output:	12V-16V/10A		

### Packaging Content:

PatrolPack-3, User Manual, EVA Case, Air Hose, Smart Jumper Clamps, USB-C Charging Cable, Nozzle Valve Adapters x3

### Certifications:
