PowerDrive-RC65

Elevate your charging experience with Promate's PowerDrive-RC65, a compact car charger that redefines convenience. Delivering an impressive 62W output, this charger features a USB-C port and Qualcomm Quick Charging 3.0 to swiftly power up your devices. The innovative, retractable 45W PD USB-C cable, stretching to 80cm, ensures tangle-free ease. Its sleek mini design complements any car interior, while built-in heat resistance, short-circuit and surge protection guarantee a safe charge every time. With its sleek design, innovative features and impressive performance, the PowerDrive-RC65 is the ultimate companion for your road trips, ensuring your devices stay charged and ready wherever you go.

62W PD Car Charger

Charge your power-hungry devices like laptops, tablets, etc. on the go, up to 4X faster with Power Delivery support.

80 cm BUILT-IN Retractable Cables

USB-C Port

The USB-C port will deliver rapid charging speeds for your compatible devices.

Retractable 45W PD USB-C Cable

Enjoy the convenience of a retractable 45W PD USB-C cable, extending up to 80cm for flexible and tangle-free use.

Quick Charge 3.0

This ultra-fast car charger also boasts a USB Quick Charge 3.0 port that provides 18W ultimate fast charge for compatible devices.

Sleek and Compact

The compact design conveniently fits in your car's DC power outlet with a modern finish to complement your car's interiors.

Multi-Protection System

The protection chipset in the PowerDrive-RC65 protects your devices from over-charging and short-circuit.

Heat Resistant Build

Engineered with heat-resistant materials, this charger maintains optimal performance even under high temperatures.

Universal Compatibility

Rapid charging for just about any smartphone, tablet, or other USB-C and USB-A compatible devices.

Specifications:

- Input Rating: DC 12V~24V
- USB-C Port Output: 5V/3A, 9V/3A, 12V/3A(36W)
- USB-A Port Output: 5V/3A, 9V/2A, 12V/1.5A(18W)
- USB-C Cable Output : 5V/3A, 9V/3A, 12V/3A, 15V/3A(45W)
- USB-C Cable length: 80cm
- Total Output: 62W
