CHARGEABLE DEVICES

TrioCord-R

Elevate your charging game with the TrioCord-R by Promate, a versatile 3-in-1 retractable cable designed to keep you powered up with efficiency. Whether you need USB-C to USB-C for rapid sync and charge, USB-C to Lightning for quick charging, or USB-C to Micro-USB compatibility, this cable has you covered. Built with Nickel-plated connectors and crafted from durable materials, TrioCord-R ensures a reliable connection every time. Simplify your tech life with one cable that does it all, offering seamless power for all your devices and data transfer for Type-C devices. Compact, tangle-free, and ready to go wherever you need it—TrioCord-R is the ultimate travel companion for modern tech users.

3-in-1 Retractable Cable:

A single cable, three outputs—USB-C, Lightning, and Micro-USB—offer seamless compatibility across all your devices. The retractable design ensures you can adjust the length for a clutter-free experience.

Powerful USB-C to USB-C Charging:

Experience rapid charging with the PD60W USB-C to USB-C connection, delivering fast sync and power for your laptops, tablets, and other Type-C devices.

Quick USB-C to Lightning Charging:

Charge your Apple devices quickly with the PD27W USB-C to Lightning connection. Enjoy efficient charging without compromising on speed or safety.

Reliable USB-C to Micro-USB Connection:

Keep your older devices powered up with the USB-C to Micro-USB cable. Perfect for gadgets like cameras, headphones, and other Micro-USB compatible devices.

Specifications:

- Input Rating : 5V/2A, 9V/3A, 20V/3A
- USB-C Output: 20V/3A 60W
- Lightning Output: 9V/3A 27W
- Micro-USB Output: 5V/2A 10W
- USB-C Data Transfer Rate: 480Mbps
- Cable Length: 1.1m
- Material Made: ABS shell + TPE wire + Aluminum alloy case

Packaging Contents:

TrioCord-R

Certifications:

Nickel-Plated Connectors:

Engineered for superior performance, the Nickel-plated connectors resist corrosion and offer a stable connection, ensuring consistent power and data transfer.

Sleek Transparent Casing:

The TrioCord-R retracts into a stylish circular case that is not only functional but also cool and transparent. Keep your cables tangle-free and protected while showcasing the modern design wherever you go.

Durable Construction:

Crafted from ABS and Aluminium, and with a TPE cable, TrioCord-R is built to last. Its robust materials guarantee durability while maintaining flexibility and ease of use.
